Proposed Additional Traffic Calming

Llwybrau Diogel mewn Cymunedau

Mesurau Arafu Traffig Ychwanegol Arfaethedig

Following consultation in December 2013 on the traffic calming measures to support the Donald Street road closure we have amended the plan for the junction of Arabella Street and Moy Road. This amendment involves moving the proposed road humps from Moy Road onto Arabella Street in order to help reduce speeds.

For details of all proposals please visit

<http://keepingcardiffmoving.co.uk/cycle/enfys-cardiff-cycle-network>

If you have any comments please let us know by the **29th of January 2014**.

We welcome comments by email and phone at

cycling@cardiff.gov.uk or **029 2087 3254**.

We look forward to hearing from you!

Yn dilyn ymgynghoriad a gynhaliwyd ym mis Rhagfyr 2013 ar y mesurau arafu traffig i gefnogi cau Donald Street rydym wedi newid y cynllun ar gyfer cyffordd Arabella Street a Moy Road. Mae'r newid yn cynnwys symud y twmpathau ffordd arfaethedig o Moy Road i Arabella Street er mwyn helpu i leihau cyflymder cerbydau.

I weld manylion am yr holl gynigion ewch i
