

Enfys Route 9 - Colum Road: Changes to scheme proposals as a result of consultation

Implementation subject to funding and consultation: 2014/15

In November 2013 Cardiff Council consulted on plans for improvements to Colum Road as part of the development of the Enfys Strategic Cycle Network.

As a result of the feedback received, we have amended the proposals to include:

- a tabled junction and zebra crossing at Colum Drive
- two informal pedestrian crossing points with speed tables along Colum Road

If you have any comments about these revised proposals please contact us by **1st September 2014**.

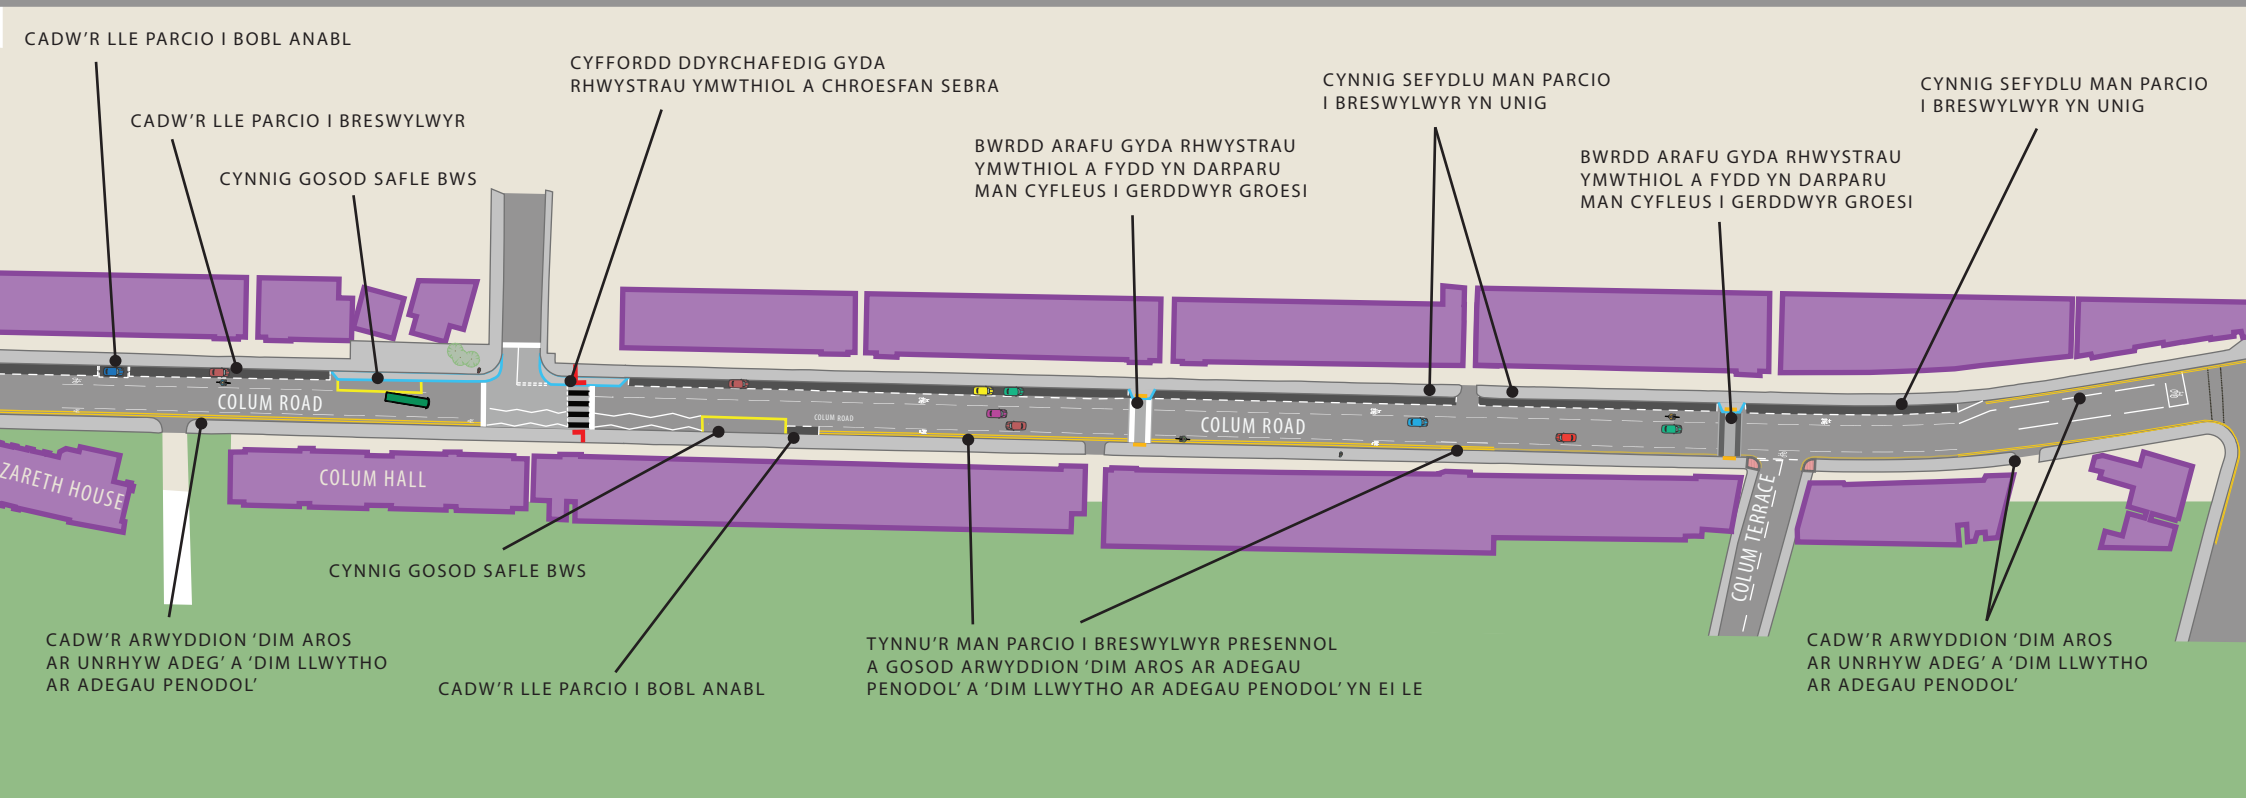

We welcome comments by email and phone at cycling@cardiff.gov.uk or **029 2087 3254** or write to **Enfys Strategic Cycle Network, Room 301, County Hall, Cardiff, CF10 4UW**

We look forward to hearing from you!

Llwybr Enfys 9 – Colum Road: Newid cynigion y cynllun o ganlyniad i ymgynghoriad

Mae gweithredu'r cynllun yn ddibynnol ar gyllid ac ymgynghori: 2014/15

Ym mis Tachwedd 2013 ymgynghorodd Cyngor Caerdydd ar gynlluniau i gyflwyno gwelliannau yn Colum Road fel rhan o ddatblygiad Rhwydwaith Beicio Strategol Enfys.

O ganlyniad i'r adborth a gafwyd, rydym wedi newid y cynigion i gynnwys:

- cyffordd ddyrchafedig a chroesfan sebra yn Colum Drive
- dau bwynt â croesfan anffurfiol i gerddwyr gyda byrddau arafu ar hyd Colum Road

Os oes gennych unrhyw sylwadau i'w gwneud am y cynigion diwygiedig cysylltwch â ni erbyn **1 Medi 2014**.

Mae croeso i chi gyflwyno sylwadau drwy e-bost **beicio@caerdydd.gov.uk**, drwy ffonio **029 2087 3254** neu ysgrifennu at **Rhwydwaith Beicio Strategol Enfys, Ystafell 301, Neuadd y Sir, Caerdydd CF10 4UW**

Edrychwn ymlaen at glywed gennych!
